Consent to Obtain Pharmacy Information Electronically

South County Orthopedic Specialists (SCOS) currently participates in the Surescripts system. This allows for the electronic prescribing of medications, which provides a convenience to patients and physicians and also reduces medication error. An additional portion of this service allows for the electronic receiving of medication information such as medications, dosages and prescriptions filled from participating pharmacies. This too, reduces error in medication entry into the medical record and provides your physician with an up-to-date medication profile. By signing below, you give SCOS permission to access your information to receive this information electronically for your medical record.
